The Electric Association Presents:

ChicaGO Green 2011

Green building opportunities and education for the electrical industry

Thursday, November 3, 2011

CONFERENCE SCHEDULE

This year's ChicaGO Green Conference will feature a kick-off luncheon with keynote speaker, followed by two tracks of afternoon seminars - with break-out sessions designed to educate electrical contractors, engineers, and end-users on the latest in the green building market. Education sessions cover the latest technology in Electric Cars, Energy Efficiency / Smart Grid, Renewables and more. This half day conference will award four professional development hours to those seeking educational credits towards license renewals.

SCHEDULE OF EVENTS:

11:30am: ChicaGO Green Showcase Exhibits Open

NOON: Conference Luncheon featuring Keynote Speaker: Robert Best, Vice President, Jones Lang LaSalle

Afternoon Sessions A, B, and C

1:45 - 2:45pm:

Seminar A - **NEC Requirements for Solar Photovoltaic Systems**, Presented by: Harry Ohde, Renewable Energy Instructor, IBEW Local 134

Seminar B - **Electrical Utility Infrastructure Modernization / Smart Grid**, Presented by: ComEd

Seminar C - **How to Sell Energy Efficiency**, Smart Energy Design Assistance Center (SEDAC, University of Illinois)

Afternoon Sessions D and E

3pm - 4pm:

Seminar D - **Electric Cars & Car Charging Infrastructure**, Presented by: Melissa Martin, Director of Business Development, Leviton

Seminar E - **LED Technology – Myths Busted, Opportunities Explored**, Presented by: Lee Cush, SSL Business Development Manager, Philips Lighting

4 - 6pm: Cocktail Reception, Raffle Give-Away & ChicaGO Green Showcase Exhibits

Can't attend the whole conference?

Stop by and visit the ChicaGO Green Showcase Exhibits!

Join us between 4 - 6pm for great networking,
exhibits and cocktail reception.

View the latest in green building products & technologies.

"Last year Gexpro participated in the Electric Association's ChicaGO Green Conference, which resulted in a multi-million dollar design-build solar photovoltaic installation contract for a branch of the US Armed Forces. The project would not have come about without our attendance at the conference and a referral from a participant we met onsite. The networking & information sharing opportunities offered through the Electric Association are a tremendous value to the conference participants and the Industry at large."

Andrew Lynch
Energy Solutions, Midwest
Gexpro

REGISTRATION & GENERAL INFORMATION:

CONFERENCE REGISTRATION:

Includes seminars, lunch, break refreshments, and cocktail reception during the tradeshow.

EA MEMBERS: \$65 / NON MEMBERS: \$85

* Participation in the complete conference awards 4 PDHs.

Registration:
