

Consulting Electrical Engineers Division

The Charles Steinmetz Award for Technical Merit

NOMINATION FORM

The Charles Steinmetz Award for Technical Merit is awarded annually to the consulting electrical engineer who has distinguished himself/herself among his/her peers by innovative design of a project with greater than one million dollars of electrical equipment installed. The project's electrical component may be anywhere in the world, however the nominee must work in the geographical region served by the Consulting Electrical Engineers Division of the Electric Association of Chicagoland (Cook, DuPage, Kane, Will, McHenry and Lake Counties in Illinois, and Lake County in Indiana).
