

## Women's Division "February Dinner Meeting"

---

### "Financial Planning in Uncertain Times"

"Where do we go from here? How do we reach our financial goals - our children's educations, home purchase, a comfortable retirement - in such a volatile economic environment. The role of financial planning in the midst of so much uncertainty."

#### *About our Speaker:*

**Barbara S. Adelman** is a Vice President-Wealth Management at MorganStanley SmithBarney where she specializes in providing comprehensive financial planning services to individuals and families. Barbara has been with the firm or predecessor firms for the past 9 years. Prior to that she was in corporate finance and banking in New York, London and Chicago.
