2019 Keynote Presentation:

2018 IECC Electrical Power and Lighting Systems Provisions with Illinois Amendments

Ryan Siegel, Senior Energy Engineer at SEDAC

Engineers from the region are invited to join us on Monday, May 6th at the CEE Technical Forum and Tradeshow at the Union League Club of Chicago, to learn about what YOU NEED TO KNOW about the 2018 IECC Electrical Power and Lighting Systems Provisions with Illinois Amendments.

Ryan Siegel is a Senior Energy Engineer for the Smart Energy Design Assistance Center (SEDAC) at the University of Illinois. He has become the lead trainer for the Illinois EPA Energy Code Training Program and leads the Wastewater Treatment Plant assessment program as well. Ryan has been in the energy arena for over 15 years and enjoys learning new strategies to save energy and sharing what he has learned with others. He received his MBA from Eastern Illinois University in 2018. His primary interest is in building science and how to build better buildings.

Tradeshow Features:
